I see a tree
I see a house
I see children playing
Going inside and out

And you're not there yet
But someday you'll be
And you're not there yet
But we'll see

I see sunflowers
everywhere
And a big scarecrow
with a hat on his head

Will we have a Sunday picnic
Will the boys wear blue and the girls wear pink
Will we travel around the world
Will we make everybody watch our family slideshows

And I'm not there yet
But someday I'll be
And I'm not there yet
But we'll see

But we're not there yet
But someday we'll be
And we're not there yet
But we'll see
And we're not there yet
Maybe we'll never ever be
And we're not there yet
But we'll see

Will you ask me
To go inside
Will you hold me and dance
Will you lay down by my side
Be there forever 'till we die
